

## **Press Release – Caledon Miracle**

The **10th Annual** “Caledon Miracle” food drive is being held on Saturday, November 27<sup>th</sup>. This event launches the 2010 Caledon Santa Fund operated each year by Caledon Community Services.

Over 200 volunteers, from Royal LePage RCR Realty and students from Humberview, Mayfield, St. Michael’s and Robert F. Hall High Schools, will gather at the President’s Building at the Albion/Bolton Fairgrounds and head out to go door-to-door from 10:00 am to 1:00 pm, in the sub-divisions of Bolton, Caledon East, and Palgrave, collecting new, unwrapped toys and non-perishable food items to help needy families in the Caledon Area to celebrate Christmas. Students will receive 5 community service hours for their participation.

Caledon Community Services has provided us with a “wish list” of items that they are in need of. They are as follows: Lunch snacks, canned meat, canned fish, canned fruit, peanut butter, baby food, cheese whiz and toiletries. Grocery gift certificates are also welcome and appreciated. The co-operation of everyone leaving their donations outside their doors for pick up allows us the time to reach more than 10,000 homes in a three hour time frame.

Last year almost 4,000 bags of food and toys were collected. Please help us to continue the miracle this year!

For further information call Royal LePage RCR Realty at 905-857-0651.
